Sport Operations

RIYADH 2022
WORLD COMBAT GAMES
الأمم المتحدة العالمية القتالية

Sport Equipment

- All Sport equipment has been ordered.
- Monday, 4th September, Riyadh 2023 WCG will send the confirmed sport equipment manufacturers list to each
- TD. Guides.
- Technical experts

Training Information

- All Training Venues will be confirmed and communicated to each sport
- Training to commence 1-2 days before competition.

Training will be available during competition days, except for the last day of the competition.

Levels of service for training venues:

Designated sport equipment

Water

Ice

- Medical clinic operating during training hours, ambulance on site. Training schedules will be in the Athlete & Team Official Guides.

Medical Provision

Competition Venues:

- Each sport Field of Play (FOP) will be covered by a Sport Medical Team. Each Sport Medical Team will consist of:
 - Specialist Doctor.
 - Paramedic(s).
 - Physiotherapist.
 - For each sport in competition there will be one ambulance on site.

Spectators and Fan Zone:

- There will be a fully equipped ambulance for spectators in the venue and an ambulance for the Fan Zone.

Related events (WCG 2023):

- There will be a suitable number of fully equipped ambulances in each event related to WCG 2023.

Medical Provision

Delegations' Residence Hotels:

- There will be a daily 8-hour medical clinic in each delegations' residence hotel.
- The medical team at the delegations' residence hotel consists of a specialized physician and a nurse.
- There will be an ambulance 24 hours a day at the place of residence of the delegations.

Training Venues:

- Each training venue will be covered by a Sport Medical Team. Each Sport Medical Team will consist of one to two physiotherapists.

Weigh in (Athlete Hotels):

- Some international federations do need one medical physician for Medical check & Weigh Ins. Based on the rules and regulation of each IF, one physician will cover the weigh in station.

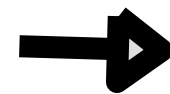

Anti-doping provision

In Collaboration with the International Testing Agency (ITA) & Sport Accord, the Saudi Arabian Anti-Doping Commission (SAADC) will implement the Anti-doping plan.

SAADC will test 160 athletes during the World Combat Games (WCG).

The Anti-doping Center is in the competition venue (King Saud University).

The program will be delivered by 5 doping control officers, 10 chaperones and multiple managers.

○ (Urine & Blood samples will be collected)

The process

Athletes will be notified by a doping control officer (DCO) or chaperone about their selection for doping control.

Athletes will sign a form confirming that they understand their rights and responsibilities. They will then report to the doping control station as soon as possible.

- DCOs will be educated to allow athletes to proceed through medal ceremonies before reporting to the doping control station.
