On the other hand, the whole training component was assisted by the pillars of our federation, i.e, the WAKO India coaching committee who is making the erudition look so easy. Chief coach, Mr. Suresh Babu took the lead along with team mates namely Mr. Nilesh Shelar, Mr. Siddharth Bhaleghare, Mrs. Anju Sharma sharpen the skills of all the campers and ensured they go on the right track. Since there is much learning an upgradation is needed and the direction in which WAKO INDIA is heading shows the upscale graph of the sport in India.

The camp included portions of theoretical and practical sessions which used to start in the morning and go up till the evening as per the time schedule. Different ideas, techniques, skills were deliberately designed to use it as a motivational tool for the members- the indoor and outdoor activities went hand in hand to pep-up all the kickboxers.

Indian Independence Day was celebrated during the camp on 15 August 2024 with the whole team. Learning from the experts on various disciplines and techniques during the event was enormously useful for them. Ms. Seema Saini conducted a Referee seminar for Tatami Sport, while Mr. Vivek AS led sessions for Ring Sport.
